

WORLD ENVIRONMENT DAY 2026

ICAR-CRIJAF, Barrackpore | 05 June 2026

ICAR-CRIJAF observed World Environment Day 2026 with a series of awareness and outreach activities promoting environmental sustainability and climate-resilient agriculture. A **tree plantation programme** was organized to encourage ecological conservation, while a **technical seminar** on “Wildfires and Crop Residue Burning (CRB): Drivers of Environmental Perturbations” was delivered by Dr. Deepanjan Majumdar, Chief Scientist & Chairman, CSIR-NEERI Kolkata Regional Centre. A **Sit & Draw Competition** on the themes 'Inspired by Nature, For Climate, For Our Future' and 'Khet Bachao Abhiyan' engaged institute staff, students and project personnel. Through these initiatives, ICAR-CRIJAF reaffirmed its commitment to environmental stewardship, sustainable agriculture and a greener future.
