

Training Report on
“Basic Skill Development Training Programme on Making of Jute Show Piece”
(September 07-18, 2026)
(under SCSP)

A ten days basic skill development training programme on making of jute show piece was organized by ICAR-CRIJAF, Barrackpore for rural women of North 24 Parganas. The training was conducted at Institute's Skill Development Hall during September 07-18, 2026 under SCSP Programme (2026-27). Total 15 nos. of women belonged to SC family participated in this training programme. Most of them are the members of different SHGs. The main objective of this training programme was to provide trainees the first-hand experience on making of various types of jute show pieces so that they can be technically empowered for contributing to their family income by making and selling these items. During the training period, the trainees were given both theoretical and practical exposure by the well-trained Master Trainer. During the training, the basic skill of the participants was developed in making of different decorative items made of jute like face decorations of Lord Ganesha, Maa Durga and Maa Shyama Kali. The trainees were also motivated to continue their practice in making these items after the training so that they can finetune their acquired skill. The training was organized under the guidance and supervision of Dr. Gouranga Kar, Hon'ble Director, ICAR-CRIJAF with the objective to empower the farm women through building their skill in value addition of jute and pave the way for off-farm income generation. During the valedictory session, he interacted with each participant and said about the importance of this type of training for creating sustainable livelihood option through skill development in making value added jute diversified products. The trainees were fully satisfied with their training experience and willing to acquire more skill in future trainings.
